<https://www.indiamart.com/vigil24x7/>

We being amongst the top notch and professionally managed security service provider in NCR are capable of providing you with all your security related needs. So dont wait, hand yourself into the safe and experienced hands of vigil 2.

## About Us

Established in 1993 Vigil 24X7 has emerged as a "Total Security Solution Provider" offering manned guarding services, investigations & verification services and electronic security systems (ESS). We are known for providing trained, reliable and trustworthy security professionals to various government departments, corporate, industrial establishment, educational institutes and more.

Being a professionally managed company, we strictly abide by all the government regulations such as enrollment with the employee's state insurance, employee's provident fund, labor commission, service tax regulations, minimum basic salary and permanent A/C number. All the security personals are recruited after thorough police verification, safeguarding the interest of our clients. Our professional expertise provide total security solution with accurate assessment of all the risk and threat taken into account.

We also offer our customers Facility Management Services that includes House Keeping Services, Pantry Services, Electrical Maintenance, Front Office Maintenance, Corporate Services and more. Our wide spread network of offices enables us to provide our clients most reliable and fast services.
